AN INVITATION

Partner with the energy sector's defining capacity-building forum.

On behalf of the Oil and Gas Trainers Association of Nigeria, it is my privilege to invite your organisation to exhibit at the OGTAN Human Capital Development Conference 2026, holding 19–21 August at the Petroleum Training Institute, Effurun.

The HCD Conference is the flagship gathering for Nigeria's oil, gas and energy training community — convening regulators, operators, service companies, training providers, academics and policy-makers around the shared task of building a workforce equal to Nigeria's production ambitions and its energy transition.

The Exhibition runs alongside the plenary and breakout programme across both days, guaranteeing sustained footfall from a senior, decision-making audience. With more than 350 delegates expected — including ministerial keynotes, the Chief Executives of major operators, regulators and the leadership of Nigeria's HCD ecosystem — few platforms offer comparable access.

This prospectus sets out the participation tiers, technical specifications and terms. Allocation is strictly on a first-payment basis, and we encourage early commitment to secure preferred positions.

Mrs Funmi Ogbue

Chair, Conference Planning Committee - OGTAN HCD 2026

THE FORUM

A senior audience, by design.

ABOUT OGTAN

The Oil and Gas Trainers Association of Nigeria is the umbrella body for accredited training providers serving the energy sector. Working with the NCDMB, PTDF, NUPRC, NMDPRA and the Federal Ministry of Petroleum Resources, OGTAN sets standards for training quality, advances Nigerian content in workforce development, and localises skills across upstream, midstream, downstream and emerging energy.

THE 2026 EDITION

This year's programme is built around Nigeria's dual mandate — lifting production toward the two-million-barrel target while positioning the workforce for the transition. Two days of plenaries, technical breakouts, a live Trainers' Hub and the Annual Awards Gala bring the ecosystem together in one place.

OGTAN Human Capacity Development Awards

Celebrating Excellence in Nigeria's Energy Industry

The OGTAN Human Capacity Development Awards is the signature awards ceremony of the OGTAN HCD Conference & Expo. It recognizes outstanding organizations and individuals whose dedication to human capacity development continues to strengthen Nigeria's oil, gas and energy industry.

The Awards brings together industry leaders, government officials, regulators, operators, training providers, academia and professionals for an evening dedicated to celebrating achievement, leadership and the advancement of local talent.

More than an awards ceremony, it is a platform for meaningful networking, industry recognition and the celebration of those shaping the future of human capacity development in Nigeria.

Why You Should Attend

- Celebrate excellence in human capacity development.
- Connect with industry leaders and key decision makers.
- Build valuable business relationships.
- Enjoy an elegant evening of networking, entertainment and celebration.
- Be part of one of the most anticipated events of the OGTAN HCD Conference & Expo.

Award Night Experience

- Red Carpet Reception
- Executive Networking
- Gala Dinner
- Live Entertainment
- Awards Presentation
- Professional Photography
- Celebration of Industry
- Excellence

Evening Of 20th August, 2026

TAKEN CARE OF

Everything in place, so you can focus on connecting.

Catering

Morning tea, mid-morning break, lunch and afternoon tea across both days are provided by the PTI Conference Canteen as part of the delegate package. Exhibitor badges include access to all delegate catering.

Accommodation & Transport

A list of partner hotels in Effurun, Warri and the surrounding area with negotiated rates will be published, with a shuttle service running to the PTI campus across the conference days. Early booking is advised given regional capacity.

Security

On-site security is led by the PTI Chief Security Officer with OGTAN's appointed contractor. Overnight booth security is included in every tier; exhibitors remain responsible for high-value items.

Trainers' Hub

Ifech Hall 1 hosts live simulators and hands-on demonstrations – drilling and well-control trainers, process simulators, HSE rigs and immersive learning technology. Exhibitors wishing to demonstrate large or specialised equipment should indicate this on the Booking Form; charges are per-equipment, quoted on request.

First Aid

The PTI Clinic is on standby throughout for first-aid response. The Medical Lead is introduced to exhibitors at the build-up briefing.

A note on the floor plan.

With 18 Standard spaces in a single long row, the Committee recommends breaking the row mid-length with a refreshment point or feature installation to drive footfall to every booth — protecting the value of central positions.

THE FINE PRINT

Terms & Conditions

1 Definitions

“Organiser” means OGTAN, acting through its Conference Planning Committee.

“Exhibitor” means the organisation named on the Booking Form.

“Venue” means the Petroleum Training Institute, Effurun, and designated halls and spaces.

2 Use of Space

The space shall be used solely for the Exhibitor’s bona fide products and services. Sub-letting or transfer to a third party requires the Organiser’s prior written consent.

3 Build-up & Tear-down

Exhibitors shall observe the published hours, staff booths during all exhibition hours, and not begin tear-down before the official close at 17:00 on 21 August 2026.

4 Health, Safety & Environment

All activity shall comply with PTI’s HSE policy and the Organiser’s HSE Lead. Demonstrations involving naked flames, pressurized systems, hazardous substances or lasers must be notified at least 21 days in advance and approved with a Method Statement.

5 Insurance & Liability

The Exhibitor shall maintain public liability insurance of at least 50,000,000 per occurrence throughout build-up, operation and tear-down. The Organiser is not liable for loss, theft or injury save where caused by its gross negligence or wilful misconduct.

6 Branding & IP

The Exhibitor warrants it owns or is licensed for all materials displayed and grants the Organiser a non-exclusive royalty-free licence to use its name and logo in publicity, the programme, the website and reports.

7 Force Majeure

Neither party is liable for failure caused by events beyond reasonable control, including acts of God, government action, civil unrest or epidemic. Where postponed for force majeure, bookings transfer to the rescheduled dates.

8 Cancellation by the Organiser

The Organiser may relocate booths, modify the floor plan, or refuse admission to any party whose conduct is incompatible with the dignity of the event. Cancellation for cause (including non-payment or breach) carries no refund.

9 Data Protection

Personal data is processed under the Nigeria Data Protection Act 2023. By submitting the Booking Form, the Exhibitor consents to inclusion of its name, logo and contact details in the programme, website and event communications.

10 Governing Law

These Terms are governed by the laws of the Federal Republic of Nigeria. Disputes unresolved within 30 days of written notice are referred to arbitration under the Arbitration and Mediation Act 2023, seat in Lagos, sole arbitrator appointed by the CI Arb (Nigeria Branch).
